MULUGETA ASHAGRE

OUR MINIMUM
ANNUAL TARGET

£3000

Kaffa is in SW Ethiopia. It is in a remote area 560 km from Addis Ababa and quite undeveloped. The plan is to open a kindergarten in this area but in the meantime the team are seeking to engage with the community by providing material support for poor families. They will use this to gain confidence within the community in preparation for the provision of the kindergarten.

Mulugeta Ashagre is a highly respected Christian leader based in Addis Ababa. He and his team have been involved in church planting for 25 years and oversee the training of Christian leaders and the development of the holistic ministry within the churches.
